## East Kootenay

### Premier Lake Provincial Park

Premier Lake Park.

contains 57 vehicle/tent camp sites and is located at the south end of the lake. There are no drive-through sites. There is an information shelter located at the entrance to the park but no telephone. Access is from Highway 93/95, 72 km north of Cranbrook; the well marked turnoff leads east to a 12 km paved and gravel road to the park.

### Whiteswan Lake Provincial Park

Whiteswan Lake Provincial Park is located within the Kootenay Ranges of the Rocky Mountains, 22km southeast of the Village of Canal Flats, the nearest community. Access is from Highway 93/95, turn east 4.5 kilometres south of Canal Flats onto the gravel Whiteswan Forest Service Road.

Whiteswan Lake is about 25 km from the highway; the hot springs are located near the west boundary of the park at kilometre 17.5.

With the exception of Inlet Creek Campground (which is open year-round), vehicle-accessed campground gates are closed during the off-season; walk-in camping is permitted. Backcountry camping at Cave Creek Campground is permitted year round but access to it will depend on snow levels and the condition of the ice on Whiteswan Lake. Camping fees do not apply in the off season if no services are provided.
